

WEDNESDAY, FEBRUARY 9. 1743.

Yesterday arriv'd a Mail from France.

Rec'd from the Paris Almain. Feb. 13

L L the Ministers go in their Turns to do Business with his Majesty wherever he is.

The King has granted Pensions to the Secretary and first Clerks of the Cardinal.

Cardinal Rohan, and not Cardinal Tencin, succeeds his late Eminence as Provisor of

Barbonne. The King has given a Pension of 800 Livres to the Count de Moine, who has made an Equestrian Statue of his Majesty, besides a Gratification of 12,000 Livres.

The same Person is to finish the fine Tomb which is ordered for the Cardinal. The first Division of the Army of M. Belleisle, which is their March to France, moves in 8 Columns.

The Count de Saxe, with his Corps de Reserve, is to move this Army in the Upper Palatinate, and to watch the Movements of P. Lobkowitz. M. Chauvelin, who was sent to Bourges in the Year 1742, has been, by Order of the Court, conducted to a little Town in Auvergne; this is attributed to a Memorial signed by him, and presented to the King by one of his Friends, wherein the Conduct of the Cardinal is exposed without the least Reserve.

THE Interest of Great Britain steadily pursued. In Answer to a Pamphlet intitled, *Case of the Hanover Forces Impartially and Freely examined*. Part I.

Printed for J. Roberts, in Warwick-Lane.

Concerning Gleet and Seminal Weakness of all Kinds.

ALL judicious Physicians and Surgeons allow, that nothing is more difficult to cure than Stubborn Gleet and Seminal Weakness, whether occasion'd by too severe purging for Venereal Injuries, Strains, Pollutio sui, or any other Cause whatever; that they are dangerous in their Consequences, as we difficult to cure, is as certain, since they exceedingly weaken the Generative Faculties, infect the whole Nervous System, bring on Hædick Heats, a Tabes Dorsalis, or Corruption of the Back, or an Atrophy or Nervous Consumption which frequently terminate in Death itself.

All such, therefore, who have the Misfortune to be troubled with Old or Stubborn Gleet, Seminal Effusions, Intermittent Emissions, excessive Nocturnal Pollutions, or any Weakness of the Kidneys, Ureters, or Bladder, the Diabetic Incontinency of Urine, or Difficulty of holding their Urine, would doubtless be glad to meet with a certain, speedy Cure, which they most assuredly may, by the only a small Quantity of a transcendent Balsamick Restrictive Electuary, now published for a general use after having for many Years been experienced never on fail perfectly curing the most Stubborn Gleet known a few Days, without Difficulty or Trouble; as all other Weaknesses of the Back, Reins, Seminal Vessels, Urinary Passages, which almost instantly cures, bring to rights and restoring all those Parts and Passages to natural Tone and pristine Vigour, in a very extraordinary Manner, and by taking a few Doses of it only.

This transcendent Balsamick Restrictive Electuary is neither disagreeable to take, nor occasions the least Disorder, but is a wonderful Restorative in all Weakness and Constitution of any Kind, and particularly strengthens the Back, Reins, Seminal and Urinary Vessels to an immutability, inasmuch that in any Debility of them, one Dose does more than ten of any other Remedy yet found out; all Persons fatigued with Gleet or Seminal Weakness of Sort, or Weakness of the Urinary Vessels, who take it, in three Days time find it so very effectual, that they will most agreeably be surpris'd at it.

When a Medicine will infallibly accomplish such a speedy and perfect Cure of such difficult Maladies, as Gleet and Seminal Weaknesses are, as this Great Remedy truly directly will, even after all other Means and Medicines been tried in vain; too much cannot be said in it, and All who ever took it for any of the above-mention'd Purposes have readily declared.

The Price is but 6s. a Pot, altho' for its absolute Effect one Pot alone being sufficient in most Cases to accomplish a Cure, worth ten times as much, and by the Author's special Appointment, is to be had only at Mr. Radcliff's Toy-shop, at the Rose and Crown against St. Clement Church-Yard in the Strand, ready sealed up, with a Book of Instructions, which whomsoever carefully reads will perfectly know, when the Gleet or Weakness he is afflicted with succeeds a Venereal Injury, whether all the Malignity of the Foul Disease is entirely eradicated or not.

Note, Ask only for a 6s. Pot of Balsamick Electuary.
